

# India International Banking & Finance Summit

## Participation of Mr. S. R. Sinha (CMD, Saija Finance Pvt. Ltd.) in India Internal Banking & Finance Summit

Saija Finance was one of the three MFIs from India invited by SIDBI for a presentation at the **International Banking and Finance Conference held at London** on the 19<sup>th</sup> and 20<sup>th</sup> of July, 2011. Mr. S. R. Sinha (CMD) had attended this meeting. There was great interest to support MFIs like Saija which are working in the unbanked and underserved territories of India.

### ABOUT THE ORGANISERS

#### ETI Dynamics

Established in 2008, ETI Dynamics is a unique socio-economic enterprise focused on increasing the rate of economic development in emerging and high growth markets. The firm does so by offering quality economic research; showcasing best policy frameworks; connecting companies/countries to new markets; effecting knowledge and technology transfer; unlocking new sources of capital; creating strong investment propositions and most importantly developing the necessary hard and soft infrastructure within nations. Its current geographical efforts are focused on Asia, Africa and Middle East.

#### Background

Indian Banking sector which has defied the global financial downturn with a better than expected performance, is set for a new growth phase. Buoyed by the strong fundamentals of Indian Economy well reflected in GDP growth, burgeoning trade and Forex reserve, the sector is heading for a phenomenal transformation. The momentum in the growth has many drivers like robust household saving, enhanced corporate competitiveness and globally benchmarked regulatory framework. So retail as well as corporate banking in India is all set to create a new milestone in the days to come and so in this context India seems right on track to emerge as the third largest banking hub in the world by 2040 as projected by PWC.
